

The State of the University

Today there are 500,000 college and university students in the state of Georgia who are confronted daily with tough decision where their faith & worldview is at stake.

Georgia InterVarsity is committed to being a light on campus by building authentic, witnessing communities of Christians who grow in love for God, God's word, and God's purposes in the world. We want **every** student to hear the good news.

But we can't do it alone. **Only you can empower us to reach the lost on campus.**

We invite you to partner financially with us to advance the impact and scope of Georgia InterVarsity so there can be more...

Georgia Transformed

When students investigate scripture they find Jesus was radical about changing society for the better. Amazed and perplexed, they begin dreaming dreams about how God could revolutionize their campus, their state, and the world.

Every year students propose things like, "What if the entire freshman class at Emory came to know Christ by year's end?", or "What if there was an active Bible study in every fraternity and sorority at UGA?", or "What if we could end homelessness in Atlanta?"

Dreams require cultivation. They need encouragement, direction, leadership, resources, and prayer. Our staff walk alongside budding world changers as they seek to shape the campus culture, address critical issues, and enact change in the areas of healthcare, business, politics, and more.

Imagine if more students learned to love the Truth in college. **Imagine the transformation we'd see in Georgia.**

"When thinking back on my greatest points of growth and enjoyment during college, almost all memories stem from InterVarsity. Not only did I experience an introduction to Jesus, but I learned how to walk with Him in a practical and meaningful manner."

Abbie Smith, Alumna of Emory University, Author

Life Long Impact in Partnership

For over sixty-five years, InterVarsity Christian Fellowship/USA® has developed students who change the world.

Transformed by their days in InterVarsity, alumni graduate to lead companies, publish books, pursue mission work overseas, launch service organizations, and more.

"InterVarsity had a transforming affect on my life during my college days; first, by providing me with a fellowship of Christians who were not afraid to wrestle with the hard questions of faith in a world of injustice; and second, by providing me with the mentors who modeled an authentic life of humble, faithful prayer."

Gary A. Haugen, President & CEO,
International Justice Mission

How do these world changers emerge? Dedicated ministry partners invest their time, talent, and treasure to support a local campus staff member.

Campus staff, empowered to serve on campus, model the life of Jesus for their students and equip them for kingdom leadership and global impact.
